President's Comments

I hope everyone is having a great month. I heard many positive comments about the entertainment at our February dinner meeting. The Abraham Lincoln presentation by Mr Gilcrease was excellent. If you know of any other historical interpreters similar to Mr Gilcrease, please let us know, and if possible, we will contact them to see if they are willing to perform for us.

Your Officers and Board of Directors are always interested in any input from our members. This is your chapter, but to keep things interesting, it helps us to know what our members like. You can contact any board member with suggestions.

Everyone is also welcome to attend our board meetings on the second Monday of each month (no meeting in June, July and August) at 9am, Dobson Ranch Restaurant.

I look forward to seeing everyone at our next meeting which will be our Member Appreciation March picnic at Kiwanis Park on March 16th. The chapter will pay for your meal, but don't forget your checkbook to help with our ROTC donations.

Warmest Regards
John Bushko

AUXILIARY NEWS : from Judy Bushko

First off, I would like to thank Melodie Foglesanger for embroidering the Last Call Blankets. We finished four at our last meeting and a total of six were delivered to the VA Hospital. Thank you, ladies, for all your hard work and dedication.

We also went to the Arizona Veterans home where we helped play BINGO with some of the veterans there. It was so much fun. We do enjoy interacting with these veterans.

Our next meeting will be on Friday, March 8th at Dobson Restaurant at 11:00. We will be working on Hygiene Kits at that time. I also have a contact that will take old cell phones, it is the Wilde Wealth Management Group. They have 3 locations in the valley, Glendale, Scottsdale and Tempe. I have been in touch with them and dropped off some phones already. Please feel free to bring old phones to any function and I will make sure they get turned in. Hope to see you on the 8th.

Remember, we are always open to ideas and suggestions for future projects, just call or email me. 480- 759-1717 jdbushko@earthlink.net

February Dinner Meeting

Our guest speaker Glynn W. Gilcrease Jr., Esq, performed a one act play orentation of Abraham Lincoln's life from his first political debate until his assasination.

We had a good turnout for the dinner meeting. The program was great, as was the food and company.

Thanks, Arlan Allen for working so hard to get us great guest speakers/performers!

Superstition Mountain Express

Abraham Lincoln 1809-1865

Abraham Lincoln was an American lawyer and politician who served as the 16th president of the United States from 1861 until his assassination in April 1865. Lincoln led the nation through the American Civil War, its bloodiest war and its greatest moral, constitutional, and political crisis. He preserved the Union, abolished slavery, strengthened the federal government, and modernized the U.S. economy.

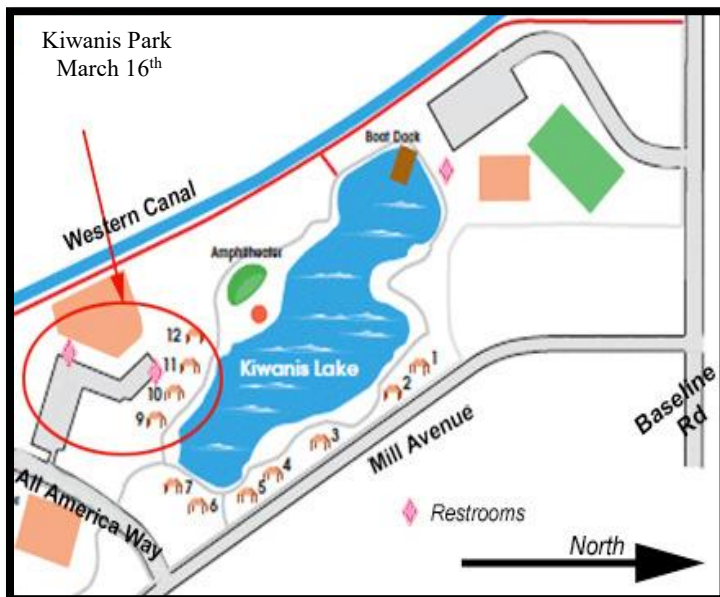

President John Bushko presented Glynn with one of our Chapter coins, as he thanked him for a great performance!

Our 50/50 raffle was hosted by Judy Bushko. Bill Baran, our newest member won the pot! Most of our raffles will now be 50/50 raffles.

If you would like to help out and man the table at one of our dinners or picnics please contact Arlan Allen. 602-283-5862 cw4allen@cox.net

CHAIRMAN REPORTS

1st Vice President

Arlan Allen- Programs

March, the month that brings Spring! What is it that is said about March, "In like a lamb, out like a lion?"

Our Spring picnic is scheduled for **SATURDAY**, March 16, 2019 with social hour beginning at 1100 and lunch served at 1200. The location is again at Kiwanis Park in Tempe, Ramada 11.

The Chapter has a permit for alcoholic beverages. You may bring your own alcoholic beverages; the Chapter does not provide alcohol. If you do bring your own beverage, they must be in metal or plastic containers, **NO GLASS CONTAINERS**. Our Chapter will be providing hamburgers, hot dogs, brats and fixings. We ask you bring a dessert to serve four or a side dish, i.e. potato salad, deviled eggs, etc. Please have your reservation, with choice, or one of each, to me by Wednesday, March 13th. Please contact me at 602-283-5862 (can leave a message) or email cw4allen@cox.net.

The Spring picnic will be hosted by the Chapter, no charge to the members. However, we are asking for donations to our JROTC program. This year, we are experiencing a shortfall in donations from previous years. Please support this important program. Your donations will be greatly appreciated and will allow the Chapter to continue supporting 21 JROTC Programs in the Southeast Valley. Looking forward to seeing you and your check book at the picnic.

2nd Vice President

Al Anderer - Membership

I hope everyone is enjoying our cool weather, although our snowbird members may be wondering what happened to escaping the cold weather in the Midwest and up north. At least I'm finally getting to wear my Christmas present from last year – my leather bomber jacket. I only wore it once last year. I'm sure by the time you read this, the weather will be much warmer.

At our February dinner, we welcomed a new member, Bill Baran, and his wife, Lesley. His presence will educate all of us on the Public Health Service. Bill is also a member & officer of the SAR, Sons of the American Revolution.

I would like to encourage everyone to help recruit new members to our chapter. Membership in the chapter includes a Basic membership in MOAA National, giving them access to the national website with information & news from Washington DC that is pertinent to retirees & veterans. Just pass on their contact information to one of our officers, and we will do the introduction to MOAA and offer them the opportunity to join. Thanks in advance for your help.

We are preparing for a new season of JROTC presentations, the first of which are coming up in just a few weeks. If you wish to support a specific school and are planning on sending a check, please make sure you indicate the school you are supporting on the coupon on page 11 in this newsletter. Donations to the general JROTC fund are also appreciated if you don't have a specific school in mind. Thank all of you who have supported JROTC in the past. We have an incredibly successful program, thanks to you.

Legislative

Dave Rataczak

From MOAA National Legislative Update February 27, 2019.

These important issues require your immediate attention. Send your elected officials a MOAA-suggested message today.

Do Not Raise TRICARE Fees

Yes, your TRICARE fees and cost shares are once again in the crosshairs. The Congressional Budget Office (CBO) recently published [their annual list of budget strategies](#) with options for policymakers to consider as they begin the budgeting process for next year. And as we know, they will be looking to increase revenue any way they can get it – so knowing in advance the areas they are going to focus on is a powerful offense for MOAA.

Protect Gold Star spouses during future shutdowns

Under current law, Gold Star spouses receiving benefits from the Department of Defense are protected from interruptions in payments during a government shutdown. But because Coast Guard paychecks come from the Department of Homeland Security, these survivors are still at risk.

Military pay and benefits matter

Sustain military pay increases comparable to the growth in civilian sector wages and salaries. The employment cost index (ECI) was 3.1 percent in 2018, and our active duty servicemembers deserve the full pay raise in the FY2020 NDAA.

CAS Membership Spokesperson

Norm Poole

CAS held their luncheon meeting on February 23rd. Norman Poole presented the January 2019 CAS minutes to the SMC board and discussed upcoming and completed activities. He also provided the CAS reconciliation/documentation of expenses and funds to the SMC Treasurer, as requested. Our guest speaker LTC (R) Bob Schrader, a member of CAS, spoke on the book he authored.

Capt Ed Mangan and MAJ Norm Poole attended the CG Chamber of Commerce January Business After Hours meeting. Plans have been made to attend the Business Before Hours meeting for the Chamber of Commerce February Meeting on 27 Feb at the CG Elks' Lodge.

We were informed by the Casa Grande C of C's board of directors that a short interview of Norm Poole was filmed, during which he described the mutually supportive relationship of MOAA. This interview was combined with other Chamber member interviews into a documentary that will be aired on local public TV in the area.

Harold Fales has reported that CAS and the Coolidge High School Faculty and Administration will partner in providing a recognition luncheon to honor the USMC Senior Gunnery Sergeant who is the JROTC lead faculty member at Coolidge High School's JROTC program. He will be retiring this year. The luncheon is scheduled for next month.

The CAS logo has been submitted for approval to MOAA National by Norm Poole. He is waiting to hear back from them.

Personal Affairs

Greg Moore

Greetings,

Several issues to cover this month.

Many of our chapter members are not registered with or receiving care from the Veterans Administration Health Services. The usual reason is that you already have Medicare/Tricare for Life benefits; or coverage from previous employment or spousal benefits. Not being enrolled may not be in your best interest.

As we age our health status changes. Cardiovascular problems, diabetes, cancer, etc. may develop. Although these problems occur in non veterans, it is important for veterans with health issues, that served in Vietnam or the waters surrounding Vietnam that might have been exposed to Agent Orange to register with the Veterans Administration Health Services. Many of these health issues are presumptive to exposure to this chemical.

Unless you have voluntarily in rolled in the SBP (Survivors Benefit Program) the governments obligation ends with your death. (exception is Social Security). However, if you should die from a disease determined by the VA to be caused by your military service, your survivors will receive DIC (Death and Indemnity Compensation). This is a tax-free sum to your survivors. This was set by congress and is approximately \$1300 a month. There are a couple of other ways, but this is most important.

In addition, if you have a disability rating from the VA, the amount is subtracted from your retired pay for tax purposes. For example; If your retired pay is \$1000 a month and your disability is \$400 a month, only \$600 a month is subject to income tax. Something to think about

A new Board of Directors has begun their duties on your behalf, and we have new and welcome faces at our meetings.

For both new and old (not age) members, over the next several months I would again like to cover some of the items which you should have in your "go" file which you can have access to in case of the loss of your veteran.

1. Have a copy of your DD214. For your survivors, this is the key to the kingdom so to speak. This document will be used to obtain VA benefits, to make military pay notifications, make Social Security claims and to assist funeral homes with arrangements (more on this later).
2. Have a copy of your marriage license and if applicable, any divorce/annulment papers. Some benefits are dependent on the length of the marriage as it overlaps with military service time.

This a start, more to come.

ROTC/JROTC

Karl Pfitzer

OK chapter members, it's getting close to crunch time for our JROTC program. Typically, some high schools will begin conducting their awards ceremonies in late March, with a flurry of programs being conducted in April and May.

The attached chart displays presenters and sponsors for our supported schools with a few ceremony dates already posted. For sponsors, if you don't see a small P next to your name please send your funds in to Treasurer Tom Ralph as soon as you can. We have two schools yet to be sponsored and six schools needing a chapter member to volunteer to present awards to JROTC cadets. If you have an interest in either, please contact me and we'll work out the details.

Our program is the largest program of any MOAA chapter in the state and its success is directly due to the support from all of you. Thanks to every one of you.

On another note, at the last board meeting I did announce that I will be stepping down as JROTC/ROTC committee chairman at the end of this school year. You have entrusted me with this position for the past 10 years and it is now time for another leader to take the point and carry on. It has been a pleasure working with the JROTC cadre and cadets and watching our future leaders develop and grow. Should you have an interest in the program I'm sure the Board of Directors and President Bushko will be most happy to hear you out. Sincere thanks to all.

A few quotes from notable ROTC graduates

General Colin Powell: "the armed forces might get a youngster more inclined to enlist as a result of Junior ROTC," but added that "Inner-city kids, many from broken homes, found stability and role models in Junior ROTC."

General Michael E. Ryan, Chief of Staff of the United States Air Force, "almost 50 percent of the folks that go out of the Air Force Junior ROTC go into one of the Services by enlisting or going to ROTC or going to one of the academies."

General James L. Jones, Commandant of the Marine Corps, "the value of the Marine JROTC program is beyond contest. Fully one-third of our young men and women who join a Junior ROTC program wind up wearing the uniform of a Marine."

General Eric K. Shinseki, then Chief of Staff of the United States Army, "by virtue of the things that they like about the JROTC experience, about 30 percent of them end up joining the Army, either enlisting or going on to ROTC and then joining the officer population."

Bingo at the Veterans Home

On Tuesday, February 12th the Desert Mustangs Chapter of the Marine Corps Mustang Association, George and Jo Meegan, John and Evelyn Culver, and Jim Geiser, hosted a Bingo session at the Arizona State Veterans Home. They were ably assisted by MOAA chapter members John and Judy Busko, and Arlan and Peggy Allen. Due to a scheduling mix-up the Old Breed Det. Of the Marine Corps League was also present. Thus, we had an abundance of hosts for the residents.

The Desert Mustangs schedule of Bingo sessions for the next three quarters are the second (2nd) Tuesdays in May, August and November. Sessions are from 1430 (2:30) to 1530 (3:30). MOAA chapter members wishing to participate please contact George Meegan.
