President's Comments

Greetings to All,

I would like to thank Dr. William Baran, one of our newest members, for his informative briefing on the US Public Health Service. He provided an insight on this small but extremely important group of professionals that I for one knew little about. I remember seeing the Surgeon General of the US appear on TV giving

briefings on different subjects and always wondered why they were in uniform. I was under the impression they were all civilians. Now I know better. Again, thank you Bill.

As we get closer to the 100 most dangerous days of the year, Memorial Day to Labor Day, all the safety briefings I heard and read over my Air Force career come to mind. Whether you are staying in the Valley or heading out of town to cooler locations for the summer, please take extra precautions when planning your activities. For those of us staying in the valley, remember to protect yourself from the sun and heat when venturing out during the day. If you are traveling, remember to preflight your vehicle and maybe even have it professionally serviced prior to departure to avoid any breakdowns along the way. Always let someone know what your activity plans are, with an expected return date or time, in the event you have an accident and don't return as expected. Keep your cell phone charged. We want to see everyone back when we resume our dinner meetings in the Fall.

Since this will be the last newsletter until September please be safe and I hope to see many of you at our luncheon meetings during the Summer. Our last Board meeting before we break for the summer is May 13<sup>th</sup> and the Dinner meeting is May 19<sup>th</sup>. Hope to see you there.

Warmest Regards John Bushko

### AUXILIARY NEWS: from Judy Bushko

The auxiliary met in April and made Hygiene Kits before we relaxed and enjoyed our lunch. Judy and John Bushko delivered 35 Hygiene Kits to the VA resource center.

There were six cell phones donated for our "Cell Phones for Soldiers Project". Yes, we are still doing this, so if you have any old phones, working or not, please bring them to any of our functions.

Our next luncheon will be on Friday, May 10<sup>th</sup> at 11:30 at Dobson Restaurant. We will not work on a project this month. Thank you for your continued support and donations. Always looking for new ideas and projects. z Judy

# April Dinner Meeting

Our guest speaker Dr. William Baran enlightened us on the US Public Health Service. We all learned some things we didn't know before. Dr. Baran informed us that he was the person that came up with the idea for the Chick-fil-A waffle fries." Good job, I love those fries!

Pictured on the right, President John Bushko presented Dr. Baran with our chapter coin.

We are delighted to have Bill and his wife Lesley as part of our chapter.

Our 50/50 raffle was hosted by Ann Schminke. Judy Bushko won the pot. Most of our raffles will now be 50/50 raffles. If you would like to help out and man the table at one of our dinners or picnics please contact Arlan Allen. **602-283-5862** <u>cw4allen@cox.net</u>

#### CHAIRMAN REPORTS

**1st Vice President** Arlan Allen-Programs

May! The last of our dinner meetings, prior to the summer break. May usually brings us our triple digit temperatures, but they arrived early this year!

Each May, we recognize Memorial Day in remembrance of our fallen heroes. In the spirit of Memorial Day, our guest speaker, Matthew K. Scott, will be doing a presentation that will focus on the selection and burial of the first unknown soldier in Arlington Cemetery. His research includes the use of a report developed by his grandfather, who was a clerk in the Cemetery Division of the Department of War, and who was directed to document the details of the ceremony in France and the burial in Arlington in November of 1921.

The meal choices for the May meeting will be Filet of Beef; Chicken Cordon Bleu or Fish & Chips. The meeting will be on May 19th, with social hour beginning at 1600 and dinner at 1700, so please have your reservations to me by May 15th. You can contact me by phone 602-283-5862 (can leave а message) or email cw4allen@cox.net. We will also, have JR & Diane providing musical entertainment.

June starts our summer luncheons with the June date changed, due to a conflict with Father's Day, to the 23<sup>rd</sup>.

As a reminder, our guest speaker for June will be 2nd Lt AJ Miller, who will graduate from the US Air Force Academy on May 30, 2019. AJ is a 2015 graduate of Basha High School and was the recipient of the MOAA JROTC Medal and US Flag that was flown over the Capital. I encourage everyone, who is able, to attend this meeting and congratulate 2nd Lt Miller on his graduation and commissioning, plus his marriage. I'm sure you will find the next generation of officers are highly skilled, trained and motivated.

July and August dates return to the third Sunday of each month. Social hour begins at noon with lunch served at 1300. Meal choices for the summer are: Cheeseburger w/American cheese & fries; Rueben and Fries; BLTTA w/ Fries (Bacon, Lettuce, Tomato, Turkey & Avocado) or Chef Salad.

For those of you who will be traveling for the summer, please have safe travels and enjoy your summer. We look forward to seeing you on September 15th when we return to our evening meetings. This meeting will be a Western Night with music provided by JR & Diane!

CW4 Arlan R Allen, USA, Retired

### 2nd Vice President

Al Anderer - Membership

While making a JROTC presentation, I took the opportunity to talk to the instructor (a retired Maj.) about MOAA and specifically

our chapter. I followed the presentation up with an email and attached a copy of our award-winning newsletter. What better way to sell our chapter than putting a face (or faces) on it? I also had a chance to chat about the chapter with other presenters. So, if you are presenting awards, take the opportunity to recruit a new member and friend for the chapter.

I received a daunting list of MOAA members in the east valley who are not members of our chapter (over 1.000.) A lot have moved (phone number disconnected) or passed on, and hardly any have email addresses listed. I'm slowly working through the list but would accept help from any volunteers. If willing, I'll send you a list of ten phone numbers to call, a format for a message to present, a message to leave if no answer, and a follow up email to send if you can get an email address. Call or email me if you'd like to help.

Tom Ralph

Hopefully all of you got your income taxes done and filed. With any luck, you had a smaller tax bite this time. Our chapter also

has to file a tax report annually to the IRS, but since we are a non-profit and we are so small, we have no tax liabilities. Thank you all for the support for your chapter and get ready for the heat. Make some plans for getting somewhere cool for at least a little while this summer.

Veterans are reminded that now is the time to get their credentialing and testing completed for the 2019-2020 academic year for Arizona schools, colleges and universities.

Boeing, Intel, American Express, GoDaddy, USAA, Microchip, Northern Arizona University, the City of Flagstaff, and Sanderson Ford have already put forth encouragement for veterans to seek employment with their firms and businesses for calendar year 2020. It's nice to be wanted and even nicer to be needed and appreciated for the training, experience and maturity that your military service has provided. A word to the wise job seeker in the Phoenix Metroplex should be sufficent!

A reminder also that veteran dependent spouses are encouraged to seek out those local firms that openly encourage and provide job opportunites to supplement family income.

#### **Ensure Safe Housing For Military Families**

When military families face health threats in their homes, it can be harder for servicemembers to focus on their mission. Congress is considering legislation to address health threats in base housing—by remediating environmental hazards, establishing strong tenants' rights procedures, and restoring proper oversight of construction and maintenance contractors.

#### Act now to improve survivors' benefits

S. 1047 would align Dependency and Indemnity Compensation payments with other federal survivor benefits.

#### Do Not Cap Pay or Cut Benefits

Military pay and benefits matter. But apparently not to the Congressional Budget Office. On its list of budget options for lawmakers to consider are capping your pay raises and cutting back your BAH. Military families depend on BAH, and it's only right that military pay keep pace with civilian salaries.

#### **Do Not Dismantle Military Medicine**

The Defense Department's fiscal 2020 budget calls for the elimination of approximately 18,000 military medical positions. This is roughly 20% of the military's medical force.

#### **Do Not Cap Pay or Cut Benefits**

Military pay and benefits matter. But apparently not to the Congressional Budget Office. On its list of budget options for lawmakers to consider are capping your pay raises and cutting back your BAH. Military families depend on BAH, and it's only right that military pay keep pace with civilian salaries.

#### Do Not Raise TRICARE Fees

Think your health care already costs enough? So do we. But jacking up your TRICARE fees and out-of-pocket costs is on the list of budget options for lawmakers to consider. That would ignore the price military retirees and their families have paid up front with their service and sacrifice.

## Support full concurrent receipt for disabled military retirees

Act now to support H.R. 333, the Disabled Veterans Tax Termination Act. This bill provides full concurrent receipt for disabled military retirees, including Chapter 61 retirees.

#### Act now to end the widow's tax

Current federal law requires survivors of deceased military members to forfeit part or all of their purchased Survivor Benefit Plan (SBP) annuity when they are awarded the VA's Dependency and Indemnity Compensation (DIC). This loss of any portion of the SBP annuity is known as the widow's tax. For approximately 66,000 military survivors, the widows tax makes SBP the only insurance that you pay into but are legally prohibited from collecting.

Harold Fales conducted the 30 March meeting, held at Robson Ranch. Several guests attended, including Col. Ron Perkins of the Arizona Council of

Chapters. Ron discussed our progress and asked both CWO4 Fales and Maj. Poole to attend the May COC meeting to be held at the Grand Canyon Chapter in Flagstaff. He provided information and presentation criteria for the meeting, to be held at the Marriott Courtyard on May 2<sup>nd</sup> and 3<sup>rd</sup>. Norm, and his wife Sam, will be attending.

Norm Poole attended the CG Chamber of Commerce 27 Mar Business after Hours meeting at Caywood Farms, west of Casa Grande. He also attended the retirement

social for Helen Neuharth, on 29 Mar , at the Property event facility. Helen retired as the President and CEO of the Greater Casa Grande Chamber of Commerce on that Friday, after 28 years of service to the Central Arizona communities. A search for her replacement is underway.

This years (2019-2020) Casa Grande, AZ street map is about to be printed. CAS MOAA has an ad in the street map, which is widely distributed free to visitors and residents of the Central Arizona-Casa Grande area. It is published by the CG Chamber of Commerce.

In addition to the chamber events, Norm also attended the opening of the new Casa Grande Community Recreation Center, Boys and Girls Club and fitness center. The Mayor of Casa Grande ask him to attend, since he is a member of the Personnel Advisory board of the City. The Mayor combined the opening with his annual State of the City review. Norm used the occasion to network and foster interest in MOAA. He will also be attending the Chamber's Business Before Hours on 12 April at the Grande Innovation Academy.

Norm also resubmitted a revised CAS logo which removed the colored diagonal bars behind the modified MOAA seal for use in the SMC website and other membership recruiting and information activities.

## ROTC/JROTC Karl Pfitzer

We started our JROTC/ROTC awards presentations in April. At Arizona State

University, a medal was awarded to a cadet in each of the four uniformed branches at the school. For the first time in many years all cadets will receive their commissions and enter active duty after graduation in May. In addition to awarding the MOAA medal for their academic performance and leadership skills, we were very pleased to see the dedication the cadets demonstrated towards serving their country post-graduation.

During the month, members of our chapter also presented award packages to JROTC programs at our supported high schools. During May, Chapter members will present awards to the remaining high school programs. I want to again thank all the presenters, school sponsors, and Chapter members for their financial support and willingness to take time out of their schedules to personally present awards at the school ceremonies. Our program continues to receive praise from ASU and the high school instructors for our support of their cadets. I want to ensure that all Chapter members understand the appreciation they have for our continuing support and presence

**Hygiene Kits for Vets** Judy Bushko

Some of the items we need for our kits are: Hand sanitizer, Razors, Shaving cream, Feminine products, Deodorant, Wash cloths,

combs, white socks, small bars of soap, Tissues (small pkg). All of these items are travel size.

Please join in and help, just as you have all stepped up to help with all the other great projects the Auxiliary has undertaken over the years. Thanks for your continued support! Over 263 kits made since we started this project.!

One of these cards is included with each Hygiene Kit.

### Last Call Blankets for VA Hospital

Blankets are used for covering our veterans who have passed in the room and are being moved. They are covered with these blankets and the blanket is then given to the family.

#### **Cell Phones for Soldiers / Helping Heroes Home** Calling for old phones!

When you upgrade your phone, don't throw those old phones away. Bring them to us. We'll send them in to get phone time for our troops overseas. Phones don't need to work.
