President's Comments

Greetings Friends,

I am sorry I was unable to be at the September meeting, and I will also miss the October Meeting. For the October meeting I will be attending the MOAA annual meeting and receiving our 5-Star Award. I look forward to seeing everyone at the November meeting. I want to thank Arlan for stepping in to conduct the meetings in my absence.

If you are a MOAA National Premium member or considering an upgrade to Premium or Life Membership, it would be to your advantage to renew or upgrade your membership status before the end of the year to take advantage of the current dues structure. **Effective 1 January 2022, the dues will be increased as follows:**

Premium Member (Annual Pay): 1 Year, \$59 (up from \$48, a 23% jump!). 2 Years, \$100 (up from \$82)

3 Years, \$132 (up from \$108)

Life membership dues will also be increasing, based on the actuarial tables (life expectancy) and annual dues.

President's message continued...

Our 2ndVP/membership Chair, John Marsh, has had to step down due to family issues. I will be doing the membership responsibilities until we find someone to volunteer to take the position. Speaking of officers and director positions, we are in the process of seeking volunteers to lead the chapter. If you are interested, please contact me or the Nominating Committee Chairman, Ed Mangan, with your desire.

Please have a safe and ghoulish October. Don't eat too much candy during Halloween, remember it is bad for your teeth.

Always at your Service,

John

Greetings,

I will not be at the October luncheon as John, and I are traveling to see family and attend the MOAA National Annual Meeting in Washington DC.

The auxiliary will meet on Wednesday, October 6th at 11:00 at Goody's. Card signing is our project this month. Peggy Allen will be stepping in for me if you have any questions.

Thanks for all you support.

Judy

President John Bushko couldn't attend the luncheon. Not missing a step, Vice President Arlan Allen handled the meeting perfectly. Although the attendance was small, we had a good time visiting with each other and of course eating the great food!

Chairman Reports

1st Vice President *Arlan Allen - Programs*

October! The frost is not on the pumpkin, but the calendar says it is Fall! Our monthly SMC luncheon will be held on October 16th. The buffet will

be Chicken Parmesan, pasta, mixed green salad, vegetable, rolls, dessert, coffee, and tea. I will need your RSVP by Sunday, October 10th. You can contact me at 602-283-5862 (can leave a message) or via email <u>cw4allen@cox.net</u>. The cost is \$30.00 per person. The location for our monthly meeting is Double Tree Phoenix/Mesa; 1011 W. Holmes Ave., Mesa, AZ.

Our guest speaker will be Roddy Charlton. Roddy's presentation will be on the AH-64, Apache helicopter. The AH-64 is the world's most advanced helicopter gunship. Roddy worked for both Hughes Aircraft and Boeing, from the developmental and prototype phase of the Apache for over 32 years. He is recognized as an expert on the airframe and systems. Part of his presentation will be a 12-minute video developed by the US Army and Boeing. It provides a crew member's perspective, uncensored, compiled from the on-board video and audio recordings. This video was taken on the opening night of the Persian Gulf War.

Looking ahead to the November 20th meeting, we will celebrate Thanksgiving and remember all our Veterans. The Campo Verde JROTC Cadets will present the Colors and perform the POW/MIA Ceremony. This is always a very impressive presentation, and the Cadets look forward to this activity each year.

I know it's been many months since some of you have attended the SMC monthly meetings. It's time to get out of the house and get back into the habit of attending our get togethers! We miss seeing old friends, the camaraderie and fellowship with our members. We miss you and hope to see you this month.

Treasurer Tom Ralph

It was great to see some of you at the September luncheon and I would encourage those of you who can, to try to make our upcoming luncheons. The food is great, and the service is spectacular. It's nice that the weather is starting to improve. Thank goodness for the fall.

Our fiscal position is still very strong, and we seem to have weathered the COVID shutdowns without too many monetary pains, as long as we don't see any worsening of the virus. Our JROTC programs and our auxiliary programs are continuing and hopefully will return to pre-COVID levels soon so I would ask that you consider supporting them if able.

Here's hoping for a great fall season followed by spectacular holidays. We have a lot to make up for.

2nd Vice President John Marsh- Membership

We are very sorry to lose John as our 2nd VP and Membership Chairman. He has done an outstanding job and we appreciate all his hard work.

Well wishes for you and your family and we are looking forward to when you are back in the valley.

Legislative Robert Grierson

Fall greetings to the Superstition Mountain Chapter. At the time of drafting this update, NDAA is being

tossed around in Washington. Congress has little hope of finding any common ground on several very contentious issues. Some of the issues are: Highest budget amount in history, funding for creating a new office to "combat extremism," creates a gun court to

have your personal firearms seized without recourse, CRT at the academies, closes GITMO, and much, much, more. People I've spoken with expect NDAA to fail on a party-line vote in the senate, and continuing resolutions to be drafted as short-term fixes as we enter the new federal fiscal year.

For some good news, there have been attempts over the years to merge the Commissary and Exchange systems into a single entity. At MOAA's urging, a study was initiated in 2018. The conclusion was rendered saying "bad idea." But as I've learned over the years, bad ideas never die, they just find a new sponsor.

MOAA has identified several key legislative goals which I'll discuss below.

Federal Legislation supported by MOAA

FIRST ADVOCACY ITEM: Concurrent Receipt Update: **Major Richard Star Act S. 344.** *The Major Richard Star Act*, which would provide concurrent receipt for service-members unable to complete 20 years of service due to combat-related injuries. Help ensure these men and women get their full serviceearned retirement, as well as their disability compensation from the VA. More than half the Senate supports it. Here's how you can help.

Click on **TAKE ACTION**: Ask Your Lawmakers to Support the Major Richard Star Act Fill in your personal information and Zip Code.

SECOND ADVOCACY ITEM: Urge Your Elected Support Comprehensive Toxic Officials to Exposure Reform Legislation. Comprehensive toxic exposure reform is needed to ensure we avoid the problems faced by Vietnam veterans who were exposed to Agent Orange. Omnibus bills have been introduced by both chambers of Congress to address this issue. The Senate's Cost of War Act and the House's "Honoring our PACT Act" provides the change we need recognizing and caring for toxic exposures. Each of these bills include the two key bills that MOAA supported with our Advocacy in Action campaign. In addition to supporting the comprehensive toxic exposure bills, we also encourage support for the following bills:

The Veterans Burn Pits Exposure Recognition Act introduced by Sens. Dan Sullivan (R-Alaska) and Joe Manchin (D-W.Va.) and Reps. Elissa Slotkin (D-Mich.) and Peter Meijer (D-Mich.) supports veterans who were exposed to burn pits and other airborne hazards by conceding exposure based on location and time. If veterans file claims, the act also requires VA to help them receive a medical examination.

The Toxic Exposure in the American Military (TEAM) Act, introduced by Sens. Thom Tillis (R-N.C.) and Maggie Hassan (D-N.H.) and Rep. Mike Bost (R-III.) would create comprehensive toxic exposure reform to expand health care, improve the presumptive process, and ensure veteran input in the process about the critical conditions affecting the health and well-being of service members, veterans, families, survivors, and caregivers as a result of exposures while in service.

These bills are an essential part of MOAA's 2021 Advocacy in Action campaign for comprehensive toxic exposure reform. Please take a moment to write your lawmakers about the importance of backing these bills. Click on TAKE ACTION: Ask Your Lawmaker to Support Comprehensive Toxic Exposure Reform]

Fill in your personal information and Zip Code.

THIRD ADVOCACY ITEM: Ask Your House Member to Support a Needed Fix for Military Families. H.R. 4021, introduced by Reps. Joe Wilson (R-S.C.) and Elaine Luria (D-Va.), would create an advisory council of EFMP-enrolled families and representatives from the Defense Health Agency, Department of Defense Education Activity, and DoD's Office of Special Needs. The council would represent the diversity of the disability community and would be charged with making nonstatutory, semiannual recommendations related to EFMP to the services and congressional armed services committees. Click on TAKE ACTION: Ask Your House Member to Support the **Representation for Exceptional Military Families** Act. Fill in your personal information and Zip Code.

FOURTH ADVOCACY ITEM: Reach Out to Your Lawmakers and Support Military Survivors. MOAA-supported legislation could become part of this year's NDAA and could make a real difference in the days after a loss. Financial concerns and stress can be a terrible burden on top of an already stressful situation for a newly widowed spouse. For some, when they discover DFAS may take part or all of that last retirement check back, it can be an overwhelming event. The Military Retiree

Survivor Comfort Act (H.R. 2214 and S.1669) will allow survivors to gradually repay the amount over the next 12 months and have an opportunity to request for debt forgiveness through DoD. Click on TAKE ACTION: Ask Your Lawmakers to Support the Military Retiree Survivor Comfort Act. Fill in your personal information and Zip Code.

There are multiple miscellaneous house bills which are under consideration too. Here are some which may be of interest:

- Federal HR 413 A bill to amend the Internal Revenue Code of 1986 to allow the work opportunity credit to small businesses which hire individuals who are members of the Ready Reserve or National Guard, and for other purposes. Support
- Federal HR 847 A bill to provide interim appropriations for the Coast Guard Retired

Serviceman's Family Protection and Survivor Benefits Plans for each fiscal year after fiscal year 2018, and for other purposes. Support

 Federal - S 21 - A bill making continuing appropriations for Coast Guard pay in the event of an appropriations act expired prior to the enactment of new appropriations (official title to be confirmed).

A Short Story from George Meegan

In December 1959 while serving as a Marine Security Guard for the embassy in Kabul, I met a famous columnist who was popular in the 50s/60s. His name was Drew Pearson.

One night I had the midnight to 0800 tour of duty and when I first arrived, I had a note to send the embassy vehicle to the Kabul Hotel at 0400. This was a bit unusual, but I sent the vehicle and when they returned Mr. Pearson introduced himself like he was royalty. I merely stepped out on the chancery steps and said I'm Corporal Meegan. He said he was there to investigate a story

about trouble in Kandahar where the" mullahs" had destroyed a Girls School. The school was part of the King's effort to open the country to modern times. The "mullahs" were the ancestors of the Taliban group originated in Kandahar. It was also at this time that young women could uncover their faces, the older ones remained in Chandra (full covering).

On The Lighter Side of Life!

A little silver-haired lady calls her neighbor and says, "please come over here and help me. I have a killer jigsaw puzzle, and I can't figure out how to get started". Her neighbor asks, "What is it supposed to be when it's finished?"

The little silver-haired lady says, "According to the picture on the box, it's a rooster." Her neighbor decides to go over and help with the puzzle. She lets him in and shows him where she has the puzzle spread all over the table.

He studies the pieces for a moment, then looks at the box, then turns to her and says, "First of all, no matter what we do, we're not going to be able to assemble these pieces into anything resembling a rooster."

He takes her by the hand and says, "Secondly, I want you to relax. Let's have a nice cup of tea, and then," he said with a deep sigh.....

"Let's put the corn flakes back in the box!"
