

December 20, 1974

Page 2

I wish to express my personal gratitude to each member of the committee who stepped forward to volunteer his time and efforts in organizing your chapter. If their performance is any indication, we should have one of the finest chapters in existence.

You are requested to notify one of the above members or call my office of your intentions to attend the meeting. See you on the 8th.

Cordially,

*Bob*  
Bob Wright
